

EMERALD ASH BORER

Federal Regulatory Overview

Stephen Lavallee

State Plant Health Director – VT/NH USDA-APHIS-PPQ

FEDERAL & STATE PARTNERS

- USDA, APHIS, PlantProtection &Quarantine
- USDA, Forest Service
- Vermont Agency of Natural Resources
- Vermont Agency of Agriculture, Markets and Food

FEDERAL REGULATORY AUTHORITIES

- The Federal Emerald Ash Borer Quarantine (7 CFR 301.53) provides the authority to conduct regulatory activities.
- The Plant Protection Act of 2000 (Statute 7 USC 7701-7758) provides authority for implementation of emergency quarantine action. This provision is for interstate regulatory action only.

COMPONENTS OF A QUARANTINE

- Survey to determine extent of infestation
 - Federal/State
- Regulatory to control the movement of articles that can spread the pest
 - Federal/State
- Management to control the spread of the pest
 - Federal/State/Local/Private

REGULATORY WORK

- The regulatory challenge is to stop the artificial spread of EAB
- Establishment and monitoring of quarantined areas
- Issue and maintain compliance agreements, certificates and limited permits
- Outreach and Education

REGULATED ARTICLES

- All life stages of the Emerald Ash Borer.
- Hardwood firewood (non-coniferous).
- All species of Fraxinus (Ash)
 - Nursery Stock
 - Green lumber
 - Logs
 - Any other material living, dead, cut, or fallen, including chips, stumps, branches, roots and debris.
- Any article, product, or means of conveyance not listed above if an inspector determines that it presents a risk of spreading emerald ash borer.

MAJOR INDUSTRIES IMPACTED

- Logging/Lumber
- Nursery
- Tree work
- Firewood
- Milling and manufacturing
- Wood packing materials (WPM)
- Wood by-products

THE MOVEMENT OF REGULATED ARTICLES IN THE QUARANTINE AREA

- *Regulated articles can move freely within the quarantine area.
- No compliance agreement is required.

THE MOVEMENT OF REGULATED ARTICLES **OUT** OF THE QUARANTINE AREA

- Regulated articles can move out of the quarantine area under certain conditions.
- Compliance agreement is required.

COMPLIANCE AGREEMENTS

- Agreement between an approved establishment and federal and state agency.
- Allows for movement of regulated articles from the quarantined area.
- Defines acceptable treatments/mitigation of regulated articles.

EAB Compliance Agreement

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control numbers for this information collection are 0579-054, 0088, 0129, 0198, 0238, 0257, 0306, 0310. The time required to complete this information collection is estimated to average 1.25 hours per response, including the time for reviewing instructions, searching existing data sources, galbering and maintaining the data needed, and competiting and reviewing the collection of information.

FORM APPROVED OMB NUMBER 0578-0054/0088/0129/0198/ 0238/0257/0308/0310

WHAT SHOULD I Do?

- Become familiar with the signs of EAB presence on ash trees.
- Report any suspected finds to the USDA EAB Hotline toll free

1-866-322-4512

or

vtinvasives.org

- Contact local USDA or State to apply for a compliance agreement to move regulated articles legally.
- Be especially careful when moving any firewood, logs or trees.
